

CULTURAL ARTS GRANT APPLICATION

All art festivals, programs and cultural groups with annual budgets and assets less than \$100,000 are eligible to apply, thanks to new funding from the William and Flora Hewlett Foundation. (Please note: We only award one grant per organization per year.)

The purpose of these new grants is to further increase access and opportunity for Monterey County residents. Arts Council staff will also provide consultation and help selected groups connect with additional resources. The new grants are for small groups that may or may not have a 501(c) 3 designation but are organized with a board of directors or leadership committee.

Community Engagement Coordinator Berniz House will answer questions in English or Spanish at any time – berniz@arts4mc.org. Groups are welcome to apply anytime; requests will be reviewed monthly. Submit this completed form with the requested attachments to: klara@arts4mc.org
