## Americans for the Arts Convention

Americans for the Arts Convention 2017 in San Francisco was an amazing experience for everyone there!! Special thanks to the David and Lucile Packard Foundation for providing scholarships for several Monterey County arts leaders to attend. Pictured here: Juan-Carlos Gonzales of the Urban Arts Collaborative with one of the extraordinary featured speakers -- Rhodessa Jones -- Co-Artistic Director of the acclaimed San Francisco performance company Cultural Odyssey. In addition to underscoring the full value of the arts in our communities, the conference provided a number of effective tools for advancing our work, e.g., gauging economic impact through the Arts and Economic Prosperity 5 Report and gauging social impact through their Animating Democracy toolkit - plus various ways to developing our practice of inclusivity in all areas of our work.

A benefit for Monterey County Youth and Arts Education

Please donate today to help support art programs for everyone in Monterey County.

The Arts Council for Monterey County's mission is to improve the quality of life for everyone in our region through the arts. For over 35 years we have served our community and through research and experience, we find over and over that "The Arts Are the Answer" to overcoming our communities' greatest challenges and achieving our region's greatest potential.

Thanks to our supporters and partners, we help bring high quality arts programs to more and more residents - including those who have historically had little access. Over the years, we have strengthened the capacity of all arts organizations and cultural groups to more effectively serve our families and we have influenced a broad range of leaders to incorporate the arts in their plans.

Are you a Ferrari Lover? Would you have time to volunteer at the Ferrari Event at The Barnyard?

## VOLUNTEER

Join us for the 20th Anniversary of the Ferrari Event at The Barnyard. You'll join Ferrari and other Exotic Car owners displaying their automobiles. Monterey County wineries will be participating, volunteers will be serving a sampling of small bites from local eateries, handling parking, registration set up and tear down. This is a fundraiser to benefit the Arts Council for Monterey County and the Rotary Club of Monterey Cannery Row. Click on [volunteers needed](#) for more details.
