We Appreciate You

The mission of the Arts Council for Monterey County is to improve the quality of life for everyone in our region through the arts. This Thanksgiving, we thank you for making our region such a vibrant place to live, work, and pursue our dreams. We are especially grateful for new developments in arts education and arts as healing, with innovative and successful programs expanding throughout the county and around the country. We urge you to get even more involved with us this year—perhaps through volunteering, **donating to MC Gives!** or sponsoring our programs. Together, we will make the most of this momentum to further expand the reach and deepen the impact of the arts in Monterey County. THANK YOU!

We've Raised \$6,710 So Far With MCGives!

Wow! We are blown away by all of your support through **MC Gives!** If you haven't already, please take a moment to donate to our **"Arts As Healing" campaign**—every little bit helps! Additional funding will allow us to expand our art programs for at-risk youth, isolated seniors, and veterans transitioning out of homelessness. Your generous contribution will be tax-free before December 31, 2018. Give a gift today!
