MONTEREY COUNTY **GIVES!**

When so much attention is given to what makes us different, generosity is what brings people together. The Arts Council for Monterey County aims to improve the quality of life for everyone in Monterey County through the arts, partnering with nearly 100 nonprofits, 35 school partners and dozens of community groups. We are currently launching the Arts Council for Monterey County College Arts Scholarship, our first higher-education scholarship for emerging artists. Your investment in this scholarship empowers our community's youth to achieve their dreams and contribute to the county's creative vitality and rich artistic heritage.

Congratulations to our Champions! Don't forget to buy your early-bird tickets to our annual Champions Of The Arts Gala on February 1st, 2020. Early-bird tickets end on January 1st.

Through our "Professional Artists in the Schools" program, the Arts Council is currently providing arts education to 25,000 students through 35 partner schools. But we have more work to do, so our goal is to raise funds to ensure that every student in our region has access to high quality arts education. [Click here to get your tickets today!](#)
