Do you like a Challenge?

Arts Council for Monterey County does! Especially, when it's a challenge that inspires donations for our Arts Scholarships and leverages with matching funds!

Every year the Community Foundation for Monterey County and Monterey Peninsula Foundation partners with the Monterey County Weekly to sponsor a county-wide fundraising campaign that matches funds donated from November 7th, 2019 at 12:01AM to December 30, 2019 at 11:59PM called MC Gives!

Thanks to MC Gives! You can turn your donation into a SUPER-DONATION! All you have to do is click on the "Donate Now" button and your donation will be on its way!

We Challenge You!
