The creative sector is devastated by this global health crisis as events are canceled, teaching artists are out of work and galleries are closed.

Please donate today to help us keep the arts alive in Monterey County by supporting local artists and arts organizations.

"My art works are a study on form & shapes. My strong suit is portraits. I am an oil painter & I tend to like a lot of contrast in my paintings. I enjoy light, & the challenge of creating light." - Bryan

"Inspired by Boccaccio's Decameron, penned under 14th century plague quarantine, as a testament to human resilience, the Salinas Valley Arts & Innovation Hub's #ArtInPlace Project encourages you to seek clarity in this moment of crisis, through the arts. The #ArtInPlace Project encourages participants to take at least fifteen minutes a day creating an original piece of art, for each day of the quarantine. Join us in staying grounded, staying safe, and staying creative with #ArtInPlace."
