"Birth of Fire is an example of one of the ways I create. I believe anything has a potential to turn into art. This piece was started by choosing the color palette and only using paint knives to apply freely, with no direct intentions, just flowing through intuition. What resulted in my eyes was a golden uterus, spark, and a flame; therefore, "Birth of Fire." Meaning is in the eye of the beholder not just beauty, so I welcome all interpretations." Julang Kihm, ArtWorks @Pacific Grove Artist

Thank you to the County of Monterey and the Board of Supervisors for the ongoing support of the Arts Council for Monterey County's efforts to strengthen and broaden the County's economic base.
