Dear Friends,

We need your help to continue providing art and music programs in our schools. While the California school budget was not reduced this year, all our school districts are seeing drastic increases in costs to convert their curriculum to distance learning and in providing PPE to ensure the health and safety of their students and staff. Due to these additional expenses, we are very concerned that schools will eliminate art and music classes, although they are more essential today than ever before, and are a required subject in all California public schools.

Please take a few minutes to write to your school and/or school district asking them to continue providing the required art classes to our students. You can learn more about this effort at arts4mc.org/arts-education, which includes a letter template and the addresses for all Monterey County school districts.

We appreciate your support of the arts in Monterey County!

Warm regards,

Jacquie Atchison,
Executive Director

Imagine Success for Every Student...

Be a Champion for Arts Education!
Arts4MC is working to create a "new normal" where every student receives an enriching and high-quality visual and performing arts education, whether in a classroom or virtually from home.

“Our students are benefitting from work with true visual and performing arts experts. We look forward to continuing our partnership and expanding our children’s artistic abilities.”
- Jennifer Zanzot, Principal, Mission Park Elementary School

Can We Count on You? Our goal is to raise $25,000 by August 31st to help bring arts education to every student in Monterey County.
