We understand this is a very challenging time for the creative sector with programs and events canceled and museums, theaters, and galleries closed.

Thanks to the generosity of the David and Lucile Packard Foundation and William and Flora Hewlett Foundation, we are pleased to offer **\$5,000 Economic Impact Grants** to small arts organizations with budgets of \$250,000 or less. If you meet this eligibility and have not received an Economic Impact grant since April 1st, please apply today.

If you have any questions about this opportunity, please contact Klara Hickmanova, Programs Coordinator at 831-622-9060 x103 or klara@arts4mc.org.

Economic Impact Grants are available to small nonprofit arts organizations seeking general operating support who have or will have an economic loss from cancellations or closures due to the Coronavirus crisis. Maximum award size is \$5,000 based on the scoring of your application. Grants will be awarded on a first come, first served basis.

DEADLINE: UNTIL FUNDS ARE EXPENDED.

Welcome to the Team!

Please join us in welcoming **Terry Anne Lopez** as the Arts Council's new Business Manager!

Terry has worked for nonprofits in Oregon, Washington and California, and has volunteered for numerous nonprofits here in Monterey County. She loves working for nonprofits for the sense of accomplishment she gets in being able to help others. She's especially excited to work for the Arts Council, since art has been such a big influencer in her life. As a child she traveled throughout Western Europe, visiting nearly every major art gallery in 17 countries (her mom has a Bachelor's in Fine Art from USC). Terry later came to realize how much she had learned about art from those museums, and the importance of self-expression and individualism. In

college, Terry began exploring fiction and poetry writing, publishing on various blogs. Today, she continues to write poetry and is currently working on her first novel.

Terry can be reached at terry@arts4mc.org or 831-622-9060 x107
