The Arts Council has opened their vault of more than 200 original art pieces collected over the past 2 decades. Here is your opportunity to own a one of a kind piece of art for a very affordable price! New art will be introduced every Tuesday at noon until October 19th.

The title 'Art Auction' is written in a large, black, cursive script font. The letter 'A' is the same stylized, colorful 'A' as seen in the logo above. The entire title is set against a white background within an orange-bordered box.
