

WE CAN'T DO WHAT WE DO WITHOUT YOU!

It's almost time for Champions of the Arts Virtual Fundraiser! If you haven't already, register now at www.arts4mc.org/champions to join our fun filled hour celebrating the arts.

Champions of the Arts has been a celebration of our amazing community of visual and performing artists for 16 years. The other reason we host this event is to raise money to keep our programs going.

With your help, we can continue to serve over 25,000 children, seniors, veterans, and at-risk youth in Monterey County. Every dollar raised goes directly to help the wellbeing of our community members after a particularly difficult year. The arts can transform lives for the better and bring hope to people who need it the most.

We still have much further to go to make our goal, and we need *your* help to fill our hearts with art. Our Arts as Healing and Arts Education programs are made possible by people like you.
