

Dear Friends of the Arts,

This week, the California Arts Council (a state agency) awarded their grant funding, which prioritized smaller organizations with budgets under \$250,000. The Arts Council, (the county's official partner with the state agency) and *many* of our local arts organizations did not receive any funding this time.

This is a loss of over \$4 million in economic impact for our county, but even more disappointing is that many art programs will not happen this year.

If there was ever a time for the arts to help heal our community, **the time is NOW.** To continue our Arts as Healing programs this year, we need to find the resources to fill this loss of grant funding. Please consider [becoming an Arts4MC GEM](#) (give every month) - the easiest way to support the arts on a regular basis!

Thank you,

Jacquie
