

Dear Friends of the Arts,

I'm so happy to report that because of YOUR support, we are able to provide more art classes this year than ever before! Since 1988, through our Professional Artist in the Schools program, we have been providing professional artists to deliver high-quality art classes in schools with limited resources and have been historically excluded. Our program activities promote positive relationship-building, is artistically rigorous, sets high expectations and helps each student build upon their inherent strengths and talents.

Because of a high demand for the arts, we are also looking for more professional artists to teach - please reach out if you are interested at [info@arts4mc.org](mailto:info@arts4mc.org).

Have a wonderful weekend!

Warmest regards,

*Jacquie*
