

Dear Friends of the Arts,

We are excited to announce that thanks to so many wonderful supporters, we exceeded our goal for our Back to School fundraiser! We are so appreciative of the donors listed below whose support allows us the privilege to expand our [Professional Artists in the Schools](#) program to more schools, and more students.

You've probably heard about the teacher shortage (where are they going?!). The Arts Council is also seeing a shortage in teaching artists, yet we have so many opportunities available for visual artists, dancers and musicians. If you are interested in working part-time to share your artistic skills with our students, please contact us to learn more.

Wishing you all a relaxing weekend!

Warmly,

Jacquie Atchison
