

Dear Friend of the Arts,

After another challenging year, I am committed to being more grateful. Regularly practicing gratitude can help improve our mental health and strengthen our relationships with others. I know the holiday season can be stressful for many, but expressing gratitude can actually lift your spirits. Every day, take a moment to notice and appreciate the things we usually take for granted - a roof over our head, food on the table, good friends and a healthy family.

I am so thankful to have a job I love, with an amazing team, engaged board and supportive donors; a beautiful place to live and work; loving friends and family; and my health!

I wish you a very happy Thanksgiving with your loved ones.

With gratitude,

*Jacquie*
