

Dear Friends of the Arts,

In case you haven't heard, it's Car Week on the Monterey Peninsula. I had lunch on Wednesday sitting outside on the patio at Tarpy's and I could barely hear the conversation with all the private jets landing at the airport. I know some are bothered by all the visitors and the roar of cars, but the economic boom to local businesses is much needed and welcomed. And some of the cars are pretty cool to look at!

But if you're not interested in bidding on a 1928 Mercedes-Benz for \$5+ million, we'd love for you to support our arts education programs by making a [donation](#) today.

Your gift can support:

- A mural residency at one school site (\$2500)
- An 8-week visual and performing arts residency (\$1000)
- A month-long afterschool program (\$500)
- Professional development for our teaching artist (\$250)
- Supplies for ten art kits for local students (\$100)

As always, we are grateful for our community's support of the arts!

Warm regards,

Jacquie
