

The Arts Council for Monterey County's (Arts4MC) goal is to reduce barriers to participation in the arts to ensure that every student receives an enriching and high-quality visual and performing arts education.

Students are still struggling due to the many systematic changes brought on by the pandemic. The arts can play a crucial role for students and educators, especially in addressing healing and trauma.

YOUR donation today will help us ensure every Monterey County student participates in the visual and performing arts during the school day, providing a safe and healing outlet for their emotions.
