Dear Friends of the Arts,

As I'm sure you are aware, we are fundraising through [MCGives](#) to support our [Arts as Healing](#) program which brings specially trained teaching artists to our community partners serving people with disabilities, senior citizens, veterans, at-risk youth and survivors of sex trafficking. These programs have been so beneficial to the recipients who are dealing with extreme depression, stress and anxiety - even more prevalent during the holidays.

While over \$7.6 million has been donated through MCGives at this time, only 14% has been allocated to the arts. ***{{Informal Name}}*, can we count on you to help us with a donation today at [MCGives](#)?** Your donation will be matched by 10-15%, increasing the impact of your gift.

We are so thankful to those donors who have already supported our year-end fundraising campaign! Add your name to this impressive list of donors who understand the need for Arts as Healing programs for our most vulnerable residents:
