Do you enjoy talking to people, traveling to various parts of Monterey County and visiting performances, festivals and other events?

If your answer is yes - we are looking exactly for you!

The Arts Council for Monterey County is participating in the Arts & Economic Prosperity 6 (AEP6) Americans for the Arts' study. The study focuses on the economic impact of spending by nonprofit arts and cultural organizations and their audiences. We'll be conducting surveys at various events, performances and festivals throughout Monterey County from now until the end of May 31, 2023.
