

Dear Arts Supporter!

For the cost of one weekly cup of coffee or night out to eat, you can make a real difference!

Join the **Give Every Month (GEM)** program today and be a part of something special. Your support will help us continue to provide valuable arts education programs for the children in our community.

Thank you for your interest in supporting our mission.

## YOU MAKE A DIFFERENCE!

When donors support the Arts Council with a monthly donation, they are helping to ensure that children in their community have access to high quality arts education programs. These programs can have a tangible impact on a child's education, helping them to develop skills like creativity, critical thinking, and problem-solving.

Whether monthly or annually, your contribution can have a lasting impact.

Give Every Month Program

## OUR MISSION

Arts4MC's mission is to improve the life for everyone in our region through the arts.

## HOW? WE...

**NURTURE THE ARTS**, ensuring that everyone can experience and have access to its benefits, from children to seniors.

**SUPPORT THE ARTS**, providing business and educational resources, as well as bringing in state, and local funding to grow our local artists, art organizations, and arts community.

**PROMOTE THE ARTS**, inspiring people's imagination and creativity. We advocate for arts legislation, and participate and organize community events and artistic initiatives.

## YOUR IMPACT

By becoming a GEMs member, you can make a significant impact on the education of children in your community, on isolated seniors, and helping individuals who experienced serious trauma.

**GEMs members provide consistent and reliable support that allows us to provide programs that benefit thousands of Monterey County residents each year.**

With a recurring monthly donation, you help us fund mural residencies, after-school and community programs, and so much more! Your contribution will make a tangible difference in the lives of those who might not otherwise have access to these resources.

Through this program, I feel relaxed. I feel free of the weight I was carrying.
