

# ARTS COUNCIL for Monterey County

The Arts Council for Monterey County is seeking Monterey County residents from all supervisorial districts in the county, age 25 or older with experience in a wide range of artistic, cultural, and social fields, to participate in the grant application process as grant review panelists for our grant program opportunities.

## Arts4MC offered grant program opportunities

- College Arts Scholarships  
*(timeline from February to April)*
- Individual Artists grant  
*(timeline February through April)*
- Community Arts Grants  
*(timeline April through June)*

Panelists will make a 4-week commitment to read and rank roughly 10 - 15 applications by the grant review deadline (*applications are assigned as they are submitted*). An average of 15-20 minutes of time is needed to appropriately review and rank each panel application.

Grant panelists work both independently and virtually alongside other panelists to evaluate grant applications, ensuring an equitable, honest, and thorough review and ranking process. The panel experience provides great insight into the grant-making process and can serve as a professional development practice for their career and artistic goals.

In addition to experienced arts practitioners, this is a great opportunity for new and emerging members of the arts and culture community.

As an appreciation for our grant panelists, individuals who complete their panel service will receive a \$100 honorarium per grant program.
